

## **AW16**

AW16 is a vintage sports inspired collection of jackets, sweatshirts, t-shirts and trousers - drawn from our love of colour, baseball, basketball and Americana.

Varsity jackets, chinos, classic sweatshirts and tees are re-worked and re-freshed for 2016 with made-to-fade denims and super soft cottons while vintage style shearling Sherpa denim jackets come with hidden surprises in the linings – garment dyed shearlings in yellow, red and teal to keep you snug when the cold bites.

Unisex hooded jackets return in a variety of colours and fabrics alongside oversized parkas in khaki and midnight blue. Layer over beaten up holey sweatshirts or our chambray denim jumpsuit buttoned all the way up / tied at the waist for insouciant chic.

Waffle tees, shredded sweatshirts are matched with slim fit chinos in colours from red and navy through to yellow and our new Zip It sweatshirt makes it handy to store anything and everything from sweets and stones, to ipods and that first love note.

Our classic super soft corduroy suits are made to mix and match with our hardwearing cotton hoodies, camouflage to keep you on your toes or a henley when you need to please the grandparents.

Shirt jackets with oversized pockets can be worn as shirts under our pre-faded denim varsity jackets for the complete preppy look/ Canadian tux or worn freestyle loose and open over distressed sweatshirts or waffle tees. Dressed up/ dressed down.. that's how we do things.
