

CONCEPT

the past - the future, by machine - handmade,

concerervative - avant-garde, art - artisanat,

extremely opposite, but so closely related...

We find the course in the cause and the result,

There, we feel the chic among those relative essence.

Childhood that passes too early, So we want to cherish it.

We would like to offer clothes of an important good design

to children who grow too early.

Our collection is made with the original material and knitting

And prints in an atelier by a silk screen and handwriting,

The goods carefully finish one by one.

We'll always make goods of the high design and the high quality.

Spirit of our brand : Creativity , Elegance , Heart
