Summer Stories

Spring Summer 2020

EVERY SUMMER HAS A STORY

Summer memories of endless days by the sea, magical sunsets and warm nights are the starting point for Andorine's Spring Summer 2020 Collection. Offering a wide range of colors and textures, the collection brings the right balance of fashion and comfort. Slogan t-shirts, biker shorts, bleached denims and neon-bright swimware, explored in a contemporary design, are reminiscent of an 80s vintage vibe.
