

MOSCHINO BABY KID TEEN

SPRING/ SUMER 2021 COLLECTION

Unique, colourful and ironic, the Baby-Kid-Teen Spring/Summer 2021 collection is unmistakably Moschino.

Sweatshirts, T-shirts and dresses are bold, bright and enhanced with fun graphics and embroidery. This season, the collection offers everything from a colourful Trompe l'oeil print to the iconic Teddy Bear.

For girls, the Moschino Teddy is adorned all-over with embroidered daisies, while the boys will find the Bear as a swashbuckling pirate.

For Moschino Baby, the collection will be available in a pastel colourway of pink, blue, green and yellow. It will also feature the Teddy in a mask and flippers. In Kid and Teenwear, the Teddy appears as a maxi-patch, alongside spray painted graphics on dresses, oversized T-shirts and cool hoodies.
