

LITTLE REMIX
CHARLOTTE ESKILDSEN

Spring | Summer 2018

REMIX GIRLS

“This collection is a summer memory from my own childhood; Eating fresh strawberries from the kitchen garden with all my girlfriends under the blue sky, even though we knew we were not allowed to. These girls were my first little gang. My first remix girls.

Find all the colors of this memory in this spring-summer collection”

**Charlotte Eskildsen,
Creative Director**
